1. How to use this Guide

This Course Enrolment Guide 2012 provides you with information on when and where the units available for study in this program(s) will be offered in 2012.

Enrolling in units for 2012

1. Section 2. ‘Program Map’ for information on course structure and unit sequence. Take note of any prerequisite or co-requisite requirements before selecting particular units. Take note of the study period in which units are offered.

   A prerequisite is a requirement that must be met by a student before enrolment in a stipulated unit. It is your responsibility to ensure that you meet the prerequisites for a unit prior to enrolling into that unit. If you wish to enrol into a unit for which you have not met the prerequisite requirements, please obtain approval from your Course Coordinator.

2. Refer to Section 3. ‘Elective Unit and Additional Offerings in 2012’ to select your Elective units.

3. Refer to Section 4. Program Information’ for further information on course structure and requirements.

4. You must refer to Enrolment and Managing Your Studies on the ACU website (http://www.acu.edu.au/136410) for information on how to complete your enrolment via Student Connect. ‘Enrolment and Managing Your Studies’ also provides information on study period definitions, modes of study, campus locations, dates for each study period and census dates.

5. Log on to Student Connect and enrol (http://www.acu.edu.au/136953). Student Connect is a web interface allowing students to complete their ACU enrolment online.

**IMPORTANT NOTE**

Failure to enrol or re-enrol before the published Due dates for re-enrolment on the ACU website (http://www.acu.edu.au/352043) may result in late fee penalties.

Even if you are unsure of what units you need to enrol in, please ensure that you enrol or re-enrol in at least one unit before the due date. Enrolling in at least one unit by the due date will enable you to add further units, or amend your enrolment via Student Connect up until the final dates published in the Critical Dates for Variation of Enrolment on the ACU website (http://my.acu.edu.au/363108).

Course coordinators and/or Course Advisors will be available to assist with enrolment and re-enrolment. You can, email or contact them in person to make an appointment.

4. Program Information

Professional Experience:
During your course you will complete
60 days of supervised practicum
All preservice teachers are encouraged to undertake country placements during their Education course.

Additional Requirements – Working With Children Check
All preservice teachers must apply for and obtain a Working With Children Check before they will be permitted to participate in the Professional Experience Program. There are no exceptions to this requirement and no preservice teacher will be placed in a school without a valid Working With Children Check.

Preservice teachers must obtain an application form for a Working With Children Check (WWCC) stamped with a University Stamp at the nominated enrolment information day or during the enrolment period. It is the preservice teacher’s responsibility to submit the application form and, upon receiving the Working With Children Check, submit the original Working With Children Check and a copy of the original to Professional Experience personnel at the appropriate campus. WWCC are available from the Department of Justice Victoria website: Working With Children Check

The Professional Experience personnel will sight the original Working With Children Check, verify its authenticity, and return it to the preservice teacher. The copy will be placed in the preservice teacher’s Professional Experience file. Preservice teachers must carry the WWCC every time they visit a school or work with children as part of their University Course.

International preservice teachers must obtain and present their relevant police check from their home country and from any other country/ies where they have been domiciled for twelve months or more for the last ten years. These police checks must be sighted and authenticated by Professional Experience personnel before preservice teachers will be permitted to undertake a Professional Experience in schools.

Accreditation to Teach Religious Education in Catholic Schools
Preservice teachers who intend to undertake Religious Education as a teaching method but do not have the prerequisite theological studies will enrol in the Graduate Certificate in Religious Education on admission to the course.

Accreditation to Teach in Catholic Schools
By completing Foundation Studies for Teaching in Catholic Schools and upon successful completion of the Masters in Teaching (Secondary) you will be eligible to apply for accreditation to teach in Catholic Secondary Schools.

Part-time and Out of phase preservice teachers need to speak with the Course Coordinator/Course Advisor.
