2016 Course Enrolment Guide
Faculty of Education and Arts

Bachelor of Teaching/Bachelor of Arts (Technology)
For Continuing Students who Commenced Studies prior to 2015

Information last updated on 4 March 2016

Please note that Course Enrolment Guides are revised regularly and students are advised to check the website for the latest updates. Additional information from your School, Faculty and the University will be sent to your ACU student e-mail address and students must check this regularly. Please note that all e-mail communication with University staff must be sent from your ACU student e-mail account.

HOW TO USE THIS GUIDE

The Course Enrolment Guide is designed to assist students in the selection of units and to ensure that students are aware of the requirements for the completion of their degree. Specific information relating to unit content and assessments will be provided by your School.

Enrolling in units for 2016

1. Refer to Section 1. ‘Course Map’ for the structure of your course. Please note that this may vary depending on the campus where you are studying and/or the year in which you commenced your studies. The units specified by name on your Course Map are core and must normally be completed in the semester shown on the map.

2. Refer to Section 2. ‘Unit Information’ for details about elective units offered at your campus this year. Pay particular attention to prerequisite requirements.

3. Make sure that you are familiar with the rules and structure of your course. Refer to Section 3. ‘Course Information’ for links to the Handbook, which contains information on the major, minor and specialisation options available in your course.

4. Please ensure that you have read this guide completely before you refer to the Re-Enrolment\textsuperscript{1} section of the ACU website for step-by-step instructions on how to enrol in units via Student Connect.

2. UNIT INFORMATION

Please note that unit availability is subject to change.

Prerequisite units are shown in “Other Information” column. Prerequisite units must be completed before enrolling.

If you choose units that are not listed below or you do not choose the recommended mix of units then you may find that you cannot complete your course in minimum time and that you may encounter problems with your timetable.

This is a note for students wishing to be Religious Education teachers

Students who commence their Study of Religions 4 unit minor in 2016 or before should make sure they select units from the approved Study of Religions list.2

Students who wish to teach Study of Religions in would take the approved four unit minor in Study of Religions:

- THSR205 Introducing Judaism and Islam* (incompatible THSR101)
- THCT100 What Christians Believe*
- THSR200 Introducing Asian Religions*
- THSR202 Religion in Australian Culture*

In 2016 THSR301 is an approved unit in this offering.

*Work through the THSR units before taking THCT100 if possible (THSR units normally run every second year).

Students who commenced a Study of Religion minor prior to 2016 should make an appointment to see the BTeach/BA (Arts) Coordinator by contacting Karen.lamb@acu.edu.au to ensure that a correct enrolment is achieved.

Students who wish to teach Religious Education in Catholic schools may also apply to enrol in a Graduate Certificate in Religious Education at the end of their course.

Majors and Minors

Students in a Technology specialisation will complete a 12 unit sequence in Technology (which includes an 80cp major plus four further Technology units) and a Minor in Computing, Mathematics or Study of Religions.

Major

A Major is 80 cp in prescribed units in one discipline or approved interdisciplinary area, normally including at least 10 cp at introductory level, at least 40 cp at 200 level and at least 20 cp from 300 level.

Minor

A Minor is an approved sequence of units in one discipline or approved interdisciplinary area totalling at least 4 units, normally including at least 1 unit at Introductory level and at least 2 units at Advanced level.

Please note: All students must ensure to enrol in the required BA units for their Technology major and Arts minor that enables them to be registered by the relevant local state registration authority as teachers in that subject area. Please see links below for more information.

Police Checks

Those students participating in the Professional Experience Program (PEP) must obtain background checks as required by Federal and State/Territory laws. Please refer to the Faculty’s Professional and Community Experience webpage for requirements in your local State/Territory. The Professional Experience Office will provide further information about the PEP prior to students commencing the program. Supervised professional experience is at the heart of all our Initial Teacher Education courses and the Faculty will find appropriate placements to suit the needs of your course. Placements will usually be arranged for the scheduled placement period in the professional experience calendar, although this may not always be possible.

General Advice

All queries not specifically related to your course, such as admissions, enrolment, fees, scholarships, exams, timetabling and graduations should be directed to the AskACU.

The Administration & Enrolment webpage also has useful information to help you in managing your studies.
