Enrolling in units for 2016

Working with Children and Police Checks
Those students participating in the Professional Experience Program (PEP) must obtain background checks as required by Federal and State/Territory laws. Please refer to the Faculty’s Professional and Community Experience webpage for requirements in your local State/Territory. The Professional Experience Office will provide further information about the PEP prior to students commencing the program. Supervised professional experience is at the heart of all our Initial Teacher Education courses and the Faculty will find appropriate placements to suit the needs of your course. Placements will usually be arranged for the scheduled placement period in the professional experience calendar, although this may not always be possible.
