**In Place - Placement Management System for Education Students**

The Faculty of Education and Arts at Australian Catholic University (ACU) is implementing InPlace, a placement management system which streamlines registration, requests, and allocation of professional and community engagement placements.

InPlace will provide education students with greater access to information relating to their Professional Experience placements. Students enrolling in Professional Experience units, with an EDFX, ADFX and SDFX code, will be able to register and access allocated placement records online.

Key benefits from InPlace include:

- Online registration for placements
- Ease in updating professional/community placement information
- Ability to receive placement notifications online
- Access placement allocations online

InPlace is based on Student Connect data. In order that “best match” placements are made, please ensure that your personal details, including address and mobile phone number are current and up to date in Student Connect. To update your details log on to Student Connect (http://students.acu.edu.au/136953).

Note: Mandatory documentation such as Working With Vulnerable People Checks / Police Checks will still need to be lodged in person at your local Professional Experience Placement Office.
Working with Children and Police Checks

Those students participating in the Professional Experience Program (PEP) must obtain background checks as required by Federal and State/Territory laws. Please refer to the Faculty’s Professional and Community Experience webpage for requirements in your local State/Territory. The Professional Experience Office will provide further information about the PEP prior to students commencing the program. *Supervised professional experience is at the heart of all our Initial Teacher Education courses and the Faculty will find appropriate placements to suit the needs of your course. Placements will usually be arranged for the scheduled placement period in the professional experience calendar, although this may not always be possible.*

General Advice

All queries not specifically related to your course, such as admissions, enrolment, fees, scholarships, exams, timetabling and graduations should be directed to the AskACU.

The Administration & Enrolment webpage also has useful information to help you in managing your studies.
