Enrolling in units for 2016

1. Refer to Section 1. ‘Course Map’ for the structure of your course. 2. Refer to Section 2. ‘Unit Information’ for details about elective units offered at your campus this year. Pay particular attention to prerequisite requirements.

3. Make sure that you are familiar with the rules and structure of your course. Refer to Section 3. ‘Course Information’ for links to the Handbook, which contains information on the major, minor and specialisation options available in your course.

4. Refer to the Re-Enrolment¹ section of the ACU website for step-by-step instructions on how to enrol in units via Student Connect.

Following a change of delivery sequence of units for 2011, they are as follows:

**ADINED**

**2011**
- Year 1 students enrol in program with ADST107 in Semester One, instead of ADAR308.
- Year 2 students would need to add ADST107, making a four academic unit Semester which is contrary to ASDINED ‘philosophy’ of 3 units for each semester (except for Professional practice).
- Year 3 students would need to add ADFD218, and already completed ADAR308 in 2009 (first year).

**2012**
- Year 3 students would have three units, excluding ADAR308 as completed in 2010.

**B.Ed (PRIND)**

**2011**
- Year 4 Semester 1 students enrol in ADPH307
- Year 5 Semester 1 students would need to add ADPH307 to enrolment.
- Year 5 Semester Two enrol in elective

**2012**
- program as standard enrolment for ADINED and B.Ed (BPRINP).

**Prerequisite units must be completed before the unit above them.**

**Please Note:**

- All units are delivered in “Multi-mode” mode, unless otherwise indicated.
- Prerequisite units are indicated in italics.
- Students who do not follow the sequence recommended in their Course Map cannot be guaranteed a clash free timetable or completion within the normal course duration period.

**Study Modes**

- **Attendance:** Unit delivered primarily via face-to-face or video conference attendance, at an ACU campus or another location.

- **Multi-mode:** Unit delivered via a combination of online content and a compulsory attendance component (including examinations, practicums, residential etc).

- **Online:** Unit delivered fully online (including assessments).

**Prerequisites**

- A prerequisite is a requirement that must be met by a student before enrolment in a stipulated unit. It is your responsibility to ensure that you meet all prerequisites prior to enrolling in a unit.

Working with Children and Police Checks

Those students participating in the Professional Experience Program (PEP) must obtain background checks as required by Federal and State/Territory laws. Please refer to the Faculty’s [Professional and Community Experience](https://students.acu.edu.au/405437) webpage for requirements in your local State/Territory. The Professional Experience Office will provide further information about the PEP prior to students commencing the program. *Supervised professional experience is at the heart of all our Initial Teacher Education courses and the Faculty will find appropriate placements to suit the needs of your course. Placements will usually be arranged for the scheduled placement period in the professional experience calendar, although this may not always be possible.*
